Daily Appeal.

SATURDAY MORNING, NOVEMBER 23.

INAUGURATION OF GOV. PETTUS. The inauguration of Gov. Pettus occurred or Monday last. The two Houses having met in joint convention, at 11 o'clock, the Governo entered, accompanied by the Justices of the high court, and the joint committee of arrangefments. The Rev. Robert McLean-a Senator-offered an impressive and appropriate prayer, after which Governor Pettus delivered the following

INAUGURAL ADDRESS. lentlemen of the Sonate, and House of Representativo Called by the suffrage of my fellow-citizen to the administration of public affairs, for a second term. I appear before you to renew my pledge of fidelity to the Constitution, in the exercise of the power and trust conferred upon me. While grateful to my countrymen for this renewed expression of their confidence, it is with no feigned diffidence that I assume the position they have assigned me, and enter upon the dis-charge of the duties of an office, rendered doubly

If peace and prosperity blessed our country, as formerly, and the blunders of those who allminister, in official positions, could only result to our citizens, by semething akin to a stay which reached Savannah last week, himself a in temporary dimensition of that prosperity, light law, and indeed there is a disposition already companying her on the trip. would be their responsibilities, compared with those of the present when all the fruits of our first revolutionary struggles are put to the hazard Wane. Hemphill and Oldham are in the city of the terrible game of war; and if won for us, all candidates for the Senate. I hear some talk

vest in our land, and worse than death to those | New Orleans Crescent presents the fellowing to who merely survive, reckless must be the man who assumes to play any prominent part in this desperate game without more than ordinary soof invasion, favored by many advantages; having much the largest share of the arms and ammu-nitions of war, which were the common property of all the States, and almost the entire navy of the old confederacy, with their ports open to the commerce of the world, enabling them to supply any deficiency in arms or ammunitions: with superior numbers of men capable of bear-

These advantages, if wisely used, will make erimment this war bloody and protracted, and enable them to indict much suffering on the Cenfederate Louisi As yet, they seem only to have inflated the

pride, which is said to go before destruction, and excited the haughty spirit which precedes a If our enemies shall be taught wisdom by the

much injury, the ultimate conquest of the Confederate States must still be beyond their power. Their superiority of arms is overreached by our superiority in skill in the use of them, their superiority in numbers is more than equalled by the higher courage of our troops, their desire for heavily on Parson Brady. Pity the good man conquest must give way before the stern resolve should have got so very augry : that sentiment of "victory or death" which burns in the hearts and blazes in the eyes of southern gallant troops on the field. Let a few suffice person be brought against us in the conflict, cannot be inspired in the hearts of the scholder, and with one stroke of his bowe cut selfish and soudd race with which we now contend. It was of this Napoleon spoke when be said "the moral of the army is three fourths of the war, the material the other fourth." This is the principle in human action which has made earth's most memorable battle field, and against that sentiment of "victory or death "which burns | bravery and desperate courage evinced by our | such portion of it as planters may desire to earth's most memorable battle field, and against it superior numbers as vain now as when Themistocles struck for the liberties of Greece, as vain at Manassas and Leesburg as at Platea and Marathon, and upon this I have relied and still rely with unshaken confidence for the triumph and

The low, sordid selfishness which induced them to disregard their obligations under the old Confederacy and impelled them recently to thock to the standard under which they were promised easy victory and tich booty, will not permit them to patiently hear the bootless hardships of a barren campaign or give their lives to make that banner victorious, under which they muszered for plunder.

freedom of our country.

Weighing fairly the motives which actual man, it is not unreasonable to expect that, instead of easy trimmph and rich spoils, they meet with stern resistance, they will continue in the future as they have in the past battles to Hinstrate by their actions the words of one of the statesmen which their race has produced: "This is not the entertainment to which we'were invited."

If by the light of history we compare the prin ciples which impel to action the belligerents in this conflict, the result indicates clearly the ultimate triumph of our arms, though the war should be more protracted and bloody than any which the continent has known. That this hoped for result may be realized, shall be my casseless SNOW.—On Friday night, after the

our cause is lost all who hold big piaces in the Southern States, must perish first in its tall. Nor is this peril impending only over those in and in view of that common danger, let private griefs and political aspirations be awed into si-ience until the united action of all her citizens shall have saved the State from the blackest des-mont of debts by the States, shall not extend to to you here, in all human probability, the war cloud is casting its shadow over contending armies in Western Kontucky, the guns of our kindeed flashing defiance in the faces of invading flowsands, and the red rain of battle ence more statering the dark and bloody ground.
